

Certificate

of the  
2023 K. S. Fu Award

for contributions to the  
North American Fuzzy  
Information Processing  
Society (NAFIPS)

The logo for the North American Fuzzy Information Processing Society (NAFIPS) is centered behind the text. It features a stylized eight-pointed star with a central circle, surrounded by two curved lines that sweep upwards and outwards, ending in small circles. The entire logo is rendered in a dark red color.
